MANUFACTURED HOME COMMUNITY RIGHTS ACT
Act 261 of 1976 as amended by Act 80 of 2010

“IMPORTANT NOTICE REQUIRED BY LAW”

The rules set forth here govern the terms of your lease or occupancy agreement with this manufactured home community. The law requires all of these rules to be fair and reasonable.

As a lessee, you may continue to stay in this community as long as you pay your rent and other reasonable fees, service charges and assessments hereinafter set forth and abide by the rules of the community. Entrance and exit fees may not be charged. Installation and removal fees may not be charged in excess of the actual cost to the manufactured home community owner or operator for providing such service for the installation or removal of a manufactured home in a manufactured home space.

As a lessee, you may be evicted for any of the following reasons:

- (1) Non-payment of rent.
- (2) A second or subsequent violation of the rules of the manufactured home community occurring within a six month period.
- (3) If there is a change in use of the community land or parts thereof.
- (4) Termination of manufactured home community.

As a lessee, you shall only be evicted in accordance with the following procedure:

- (1) A lessee shall not be evicted by any self-help measure.
- (2) Prior to the commencement of any eviction proceeding, the manufactured home community owner shall notify the lessee in writing of the particular breach or violation of the lease or community rules by certified or registered mail.
 - (i) In the case of non-payment of rent, the notice shall state that an eviction proceeding may be commenced if the manufacture home lessee does not pay the overdue rent within 20 days from the date of service if the notice is given on or after April 1, and before September 1, and 30 days if given on or after September 1, and before April 1, or an additional non-payment of rent occurring within six months of the notice may result in immediate eviction proceedings.
 - (ii) In the case of a breach of the lease or violation of the community rules, other than non-payment of rent, the notice shall describe the particular breach or violation. No eviction action shall be commenced unless the lessee has been notified as required by this section, and upon a second or subsequent violation or breach occurring within six months, the manufactured home community owner may commence eviction proceedings at any time within 60 days of the last violation or breach.

As a lessee, you shall not be evicted when there is proof that the rules you as the lessee are accused of violating are not enforced with

respect to the other manufactured home residents or nonresidents on the community premises.

In addition, no eviction proceeding for nonpayment of rent may be commenced against you as the lessee until you have received notice by certified or registered mail of the non-payment and have been given 20 days to pay the overdue rent from the date of service if the notice is given on or after April 1 and before September 1, and 30 days if given on or after September 1 and before April 1. However, only one notice of overdue rent is required to be sent to you as the lessee during any six month period. If a second or additional violation occurs within six months from the date of the first notice then eviction proceedings may be immediately started against you.

You are entitled to purchase goods or services from a seller of your choice and the community owner shall not restrict your rights to do so.

If you desire to sell your manufactured home, the manufactured home community owner may not prevent the sale and may not claim any fee in connection therewith, unless there exists a separate written fee agreement. However, the manufactured home community owner may reserve the right to approve the purchaser as a resident in the manufactured home community.

Enforcement of the Manufactured Home Community Rights Act is by the Attorney General of the Commonwealth of Pennsylvania or the District Attorney of the county in which the manufactured home community is located. As a lessee, you may also bring a private cause of action. If your rights are violated you may contact the State Bureau of Consumer Protection or your local District Attorney.

Section 3. The act is amended by adding a section to read:

- a) Every lease for a manufactured home space shall be in writing and shall be for a duration term of one month, unless a longer period is mutually agreed upon by both the lessee and manufactured home community owner, and shall be renewable.
- b) RENTS FOR A MANUFACTURED HOME SITE, COMMONLY KNOWN AS GROUND RENTS, shall not change more than once in a 12-month period.
- c) FOR EACH LEASE PERIOD OVER 60 days prior to the expiration of the term of a manufactured home community lease, the manufactured home community owner shall offer the lessee a renewal lease for the same term and with the same provisions as the original agreement, unless the manufactured home community owner notifies the lessee in writing OF ANY CHANGES, at least 60 days prior to the expiration of the lease.

- c) Failure to disclose such rent, fees, service charges and assessments shall render them void and unenforceable in the courts of the Commonwealth. Increases in such rent, fees, service charges and assessments payable to the owner shall be unenforceable until 30 days after notice thereof has been posted in the public portion of the community office or other conspicuous and readily accessible place in the manufactured home community and mailed to the manufactured

You have five CALENDAR days from the date you received this documentation to cancel your agreement in writing to the manufactured home community owner or operator.

Section 7. Failure to refund such fees as provided shall entitle the lessee to recover treble their amount plus court costs and reasonable attorney fees.
- b) Limitations on this type of installation fee shall not bar the manufactured home community owner or operator from requiring a reasonable security deposit in accordance with the act of April 6, 1951 (P.L.69, No.20), known as “The Landlord and Tenant Act of 1951.”

Section 10. Other Fees – In accordance with a lessee’s right to invite to lessee’s dwelling unit such social and business visitors as the lessee wishes, no fee may be charged for overnight visitors or guests occupying a lessee’s manufactured home. However, if such overnight visitors or guests so frequently remain overnight for residential purposes so as to increase the number of persons normally living in the unit, the owner or operator of a manufactured home community may revise the rent due to conform to the rent paid by other residents with a like number of members in their household.

Section 11. Sale of Manufactured Homes –

- a) Any rule, regulation or condition of a lease purporting to prevent the sale of a manufactured home belonging to a lessee shall be void and unenforceable in the
- b) courts of the Commonwealth. The manufactured home community owner or operator may reserve the right to approve the purchaser of said manufactured home as a lessee, but such approval may not be unreasonably withheld. Any claim for a fee or commission in connection with the sale of such manufactured home shall be void and unenforceable unless the claimant shall in fact have acted as a bona fide licensed manufactured home sales agent for the manufactured home owner pursuant to a separate written agreement.
- c) Prior to a lessee or occupant in a manufactured home community offering a manufactured home for sale, the lessee or occupant must obtain from the community operator the then-current disclosure document required by this act and provide a copy to any prospective

buyer along with an attached sheet of paper with the following information printed in 12-point boldfaced type:

You shall have a minimum of 5 CALENDAR days after receiving this disclosure required under the Manufactured Home Communities Rights Act to void the transaction with the operator, if any, and, if terminated, you shall be returned any deposits and rents paid to the operator of the community.

- d) Failure of the resident seller to obtain a dated acknowledgment from the prospective buyer of the manufactured home of receipt of the disclosure may be grounds for cancellation of the sale by the buyer.

Section 12. Waiver of Rights – The rights and duties of manufactured home community owners and operators and the (mobile) manufactured home lessees may not be waived by any provisions of a written or oral agreement. Any such agreement attempting to limit these rights shall be void and unenforceable in the courts of the Commonwealth.

Section 13. Damages –

- a) Any manufactured home community owner, operator or lessee aggrieved by a violation of their rights under this act may institute a private cause of action to recover damages, or for treble damages when so provided in this act, or for restitution in any appropriate court of initial jurisdiction within the Commonwealth.
- b) If disclosure as required by section 6 was not provided to the manufactured home community prospective first-time lessee prior to execution of the manufactured home space rental agreement or prior to initial occupancy of a manufactured home, the rental agreement is voidable by the lessee DURING THE FIRST YEAR OF OCCUPANCY until five CALENDAR days after the receipt of the disclosure by the lessee.
- c) To VOID the rental agreement, the prospective first-time lessee shall deliver written notice to the manufactured home community owner or operator within five days after receipt of the disclosure and shall thereupon be entitled to a refund from the owner or operator of the community of any deposit together with installation costs for the manufactured home, paid to the owner or operator for the community park.
- d) The manufactured home community owner or operator may not collect rent from a prospective first time lessee until the manufactured home community owner or operator and the lessee have entered into the rental agreement.

After receiving 60 days' notice of the community owner's or operator's intent to offer a new lease, the manufactured home occupant shall have 30 days to either accept the new, renewed or extended rental agreement or to notify the manufactured home community owner or operator of intent to vacate within 30 days. No INCREASED rent or FEE lease charges shall be effective against a lessee prior to the 61st day after receiving the owner or operator notice.
- f) A manufactured home lessee, who chooses not to enter into a new, renewed or extended rental agreement shall have 60 days from the date of notification of intent to vacate the manufactured home community, to enter into contract to sell or to relocate the manufactured home. NO INCREASED RENT FEE OR LEASE CHARGE SHALL APPLY DURING THIS PERIOD. So long as the manufactured home community owner or operator complied with disclosure as provided in section 6, the manufactured home lessee who does not enter into a new, extended or renewed rental agreement shall not be entitled to relocation costs.

Section 16. Retaliatory Eviction – Any action by a manufactured home community owner or operator to recover possession of real property from a manufactured home community lessee or to change the lease within six months of a resident's assertion of his rights under this act or any other legal right shall raise a presumption that such action constitutes a retaliatory and unlawful eviction by the owner or operator and is in violation of this act. Such a presumption may be rebutted by competent evidence presented in any appropriate court of initial jurisdiction with the Commonwealth.

Section 5. This act shall apply to:

- 1) New sales and leases of manufactured home community spaces entered into after the effective date of this section.
- 2) Extensions and renewals of leases or manufactured home community spaces entered into after the effective date of this SECTION.

WATER SUPPLY INFORMATION / GUIDELINES

We operate a Public Water Supply – PWSID# 6250017, under strict monitoring and regulation by the Pennsylvania Department of Environmental Protection (DEP). We are still, however, a rural water supplier. We will NEVER have the pressure of a city water system.

Here are some typical water guidelines, similar to those in the Washington Township Water Authority Rules and Regulations, or any other water authority rules.

There will be unavoidable causes or breakdowns that will cause an abrupt service interruption of which we are NOT required to give advance notice. Reasonable notice will be given when practical. In NO case will LMHP be liable for any damage or inconvenience suffered. We reserve the right to restrict the supply of water in case of scarcity or whenever the public welfare warrants it.

Nothing in these rules and regulations, nor any contract, nor representative, verbal or written, of LMHP or any employee/agent will be taken or construed in any manner to constitute a guarantee to furnish a given quantity of water through service connections. However, we will, at all times and under all conditions, endeavor to maintain the efficiency of our service.
